Jim:

REF: Contract HF-32-27

Enclosed are the following documents relative to the above contract:

1. Contractor's Release
2. Contractor's Assignment of Refunds, etc.
3. Affidavit of Lien
4. Credit Memo No. 5843 for \$25.00

These documents along with the shipment of the final piece of residual inventory on July 11, 1961 should, I believe, complete the requirements of this contract. I therefore solicit payment of the \$16,087.50 presently outstanding on this contract.
